All Tompkins County registered voters, enrolled in any political party or in no political party, may cast their ballot for the **Special Election** to fill the remainder of the term for Tom Reed’s position: Representative in the U.S. Congress for the old 23rd district, which has the original boundary before redistricting. This position will continue through January 3, 2023.

Registered democrats may also cast their ballot for the **Primary Election** which has candidates who are all democrats, in *two* races: Representative in the U.S. Congress for the new 19th district, and Senator in the New York State Legislature for the new 52nd district.

Early voting begins August 13th.

The General Election will be held on November 8th.
